Titan Tank**

Titan Tank is an infrared remote control kit, its microprocessor provides 4 different channels to have 4 titans to fight with each other at same time. Each titan was set with 8 shots and it is designed to make a sound when shooting. Once the titan was struck, it will turn 360 and make a sound like ambulance, you have to restart it to play again. Titan moves by 6 wheels which can move forward, backward, right & left for total 8 movements which provides endless fun and excitement.

**Order Code - 49511
Space Nine**

Space Nine an eight-legged star explorer, use remote control to have it moves and turns. The Space Nine can walk on the rough surface, turn left, right and even cross rocks. When it moves, its first and third leg on one side of its body move with the second and fourth leg on the other side create a moon surface for Space Nine to explore and enjoy the fun
